Information

In May 2004, the European Union will count 10 more member countries and 75 million more people. The hs art service -group has already reacted to the extension of the unique market and is offering a whole range of new services.

Together with IGS Trading, a well-established company, we have founded igs-hs art service s.r.o. in Bratislava, Slovakia. From this new site and under the guidance of our general manager, Mr. Igor Kriz, we will offer our services in the new EU member states Slovakia, Czech Republic, Hungary and Poland. Our services will be carried out in hs art service's established quality.
